AMELIA HAMULEWICZ

INTRODUCTION

I'm a third-year Software Development student at SETU Carlow, seeking an internship to upgrade my skills. Interested in full-stack and front-end development, with a focus for clean, functional apps with good design. Always keen to learn new tricks. GPA: 74.50

EDUCATION

Software Development | Level 8 | SETU Carlow   2023 – current

- Web Programming & Databases
- Data Structures & Algorithms
- Project (Software Development)
- System Analysis & Testing
- Object-Orientated Programming

Customer Service | Erasmus | Savo College, Finland   March 2023

Computer Science | QQI Level 5 | Carlow IFET   2022 - 2023

PROJECTS

Portfolio Website | Completed | Personal Project

- Built a fully responsive website using HTML, CSS, and JS.
- Designed interface and layout prototypes using Figma.

Estate Flow | Completed | Web Development & Databases

- Developed a staff-only estate agency management system using HTML, CSS, JS, PHP, and SQL.
- Built backend database with CRUD functionality and validation/error handling.
- Collaborated in a group project; received 99% as the final grade.

Shop Manager Pro | Completed | Object-Oriented Programming

- Built a Java-based purchase management system with GUI and database integration.
- Used MySQL to handle CRUD operations and manage data.
- Applied validation and error-handling to improve system stability.

Restaurant Delivery System | Completed | System Analysis and Design

- Designed and documented a food delivery app for customers, restaurants, drivers, and admins.
- Created use case, class and sequence diagrams using Lucidchart.
- Wrote test cases and contributed to requirements and documentation in a group project.

Small World | Completed | Assembly & C

- Built a fast-paced endless runner game using 68k Assembly (Easy68k).
- Gained experience implementing game logic and collision detection.

EXPERIENCE

Deli Assistant | Daybreak, Tullow | Aug 2022 – Present
- Assisted customers, handled transactions, and managed till operations.
- Maintained professionalism in a fast-paced setting.

PLC Work Experience | iDevice, Carlow | Nov – Dec 2022
- Managed Shopify product listings and performed iPhone/PC repairs.
- Ensured a clean and secure workspace.
